

Bereco Covid-19 Response

We would like to thank you for your patience during these unprecedented times.

The health and wellbeing of our staff and customers has always being our main priority, even more so during the recent pandemic. To protect all our customers and ensure your Bereco order is delivered safely, while safeguarding our workforce, we have implemented the below procedures:

Production

- All workers have access to antibacterial handwash at all times.
- All windows & doors are wiped with an antibacterial solution before they are wrapped.
- Gloves and masks are worn during packaging of the windows & doors.
- 72-hour timeframe from goods being packed to them arriving at Bereco

Bereco Offices

- All staff have their temperature taken daily upon arrival.
- Dedicated warehouse teams with staff segregation and zoning to ensure social distancing measures are adhered to.
- Protective gloves, face shields and masks are worn at all times.
- All office staff are encouraged to regularly wash their hands, following the NHS hand washing guidelines.

Delivery

- Each driver has personal protective equipment (PPE) which includes masks, gloves and hand sanitizer (used before and after each delivery drop).
- Delivery paperwork is sealed and attached to each delivery: no exchanging or signing of documents, ensuring social distancing can be achieved.
- Calls are made 30 minutes prior to customers so site can prepare.

If you have any questions or concerns or wish to discuss anything you feel may affect us making our delivery please call me on **07703 829160** or **01709 838188** option 3.

Thank you and stay safe.
